MIRIAM GERSHOW AND FLASH FICTION: A WRITING WORKSHOP

6:30 p.m. at The Brilliant Moon

Looking to say more with less in your fiction writing? Interested in jump-starting your ideas and your writing? Join in on a fun, participatory workshop where we will look at the principles of short short stories, otherwise known as flash fiction, and then start—or even finish!—several flash fiction stories. Bring a computer or pen and paper and write with Hypatia author-in-residence Miriam Gershow. That's Thursday, March 14, at the bookstore at Third and Railroad, downtown Shelton.
